## **ARE YOU READY? COLLEGE PREP QUESTIONNAIRE**

*Please respond to the questions below to give us vital information for your college admissions.*

1. Are you taking the right high-level courses?  
(Have you met with the school counselor to devise a long-term plan for high school coursework?)  
  
YES          NO
2. Do you know which grades during which years count for college admissions?  
(Do you know which year's grades have the most impact on the GPA?)  
  
YES          NO
3. Do you know what scores the colleges you're interested in require?  
(Do you have a plan to prepare for and take the PSAT/PLAN, ACT/SAT I, SAT Subject Tests, and/or AP exams?)  
  
YES          NO
4. Are fundamental skills in math, reading and writing at a competitive level?  
(Do you have the ability to read critically, to write analytically and to reason mathematically?)  
  
YES          NO
5. Are you involved in the right activities?  
(Is the Student Resume up to date, comprehensive, and well-balanced?)  
  
YES          NO
6. Do you know what your direction is or intended major is?  
(Based on previous coursework and test scores, have you created a list of potential colleges to investigate and visit?)  
  
YES          NO
